

How to Access the Great North Care Record in eRecord/PowerChart (NuTH)

Scenario

This guide shows you how to access Great North Care Record via eRecord/PowerChart. This system is used in Newcastle upon Tyne Hospitals NHS Foundation Trust.

Instructions

1. Open a patient record in PowerChart
2. Ensure the patient has an NHS number

3. Select **Regional Patient Record** in the main menu

NOTE: Depending on your access level you may need to scroll down on the main menu

4. Alternatively, select **'Record'** from the menu across the top of the screen and then **'Regional Patient Records'**
