Problems List section

This section will show diagnosis and problem information from:

- GP using EMIS
- Community service using EMIS
- Newcastle Upon Tyne Hospitals
- South Tyneside & Sunderland
- Cumbria County Council

This section will show **all** problems or diagnoses that have been recorded in the source system, **including those that are marked as inactive or resolved**. Check the **status column** to find out if the problem is **active**.

Select a line to see the full details including the reported date and the source.

Different views are available in the drop down at the top of the panel.

The Details view includes additional information such as date recorded and associated comments.

Problem List (10) Summary ▾
