

# Great North Care Record: Social Care Overview

## Scenario

This guide provides an overview of the information shared by Adult Social Care providers. For detailed information explaining the information shared by each service please see the individual guides about each service.

## Who shares Adult Social Care information?

The following organisations share data into this section:

Organisation name	Where does it display in the record?
Durham County Council	Social Care
Sunderland City Council	Social Care and Problems List

## Sunderland City Council

Information from Sunderland City Council is shared the Social Care section only. Information is shared for customers who have an NHS number recorded and have given consent to share information. Only open case or a case that has been closed within the last 12 months are shared. Information will not be shared if the customer is marked as a restricted person.

The following information is shared:

- Alerts
- Care Plans
- Disability
- Events
- Practitioner
- Primary Support Reason
- Referrals
- Related Person
- Service Provision

Each piece of information is shared into the record as individual report.

The 'Date Completed' column refers to the date the information was last imported into GNCR. When the report is opened additional dates may be provided within it.
